- Sketchbook

About Me

I am an experienced developer with a strong foundation in software development. Over the years, I have honed my skills in designing, developing, and maintaining a wide range of applications, particularly within the manufacturing industry. While I have a keen focus on frontend development, creating dynamic and responsive user interfaces, I also have significant experience working on backend systems to ensure robust and scalable solutions.

Profile

Place, date of Birt : Kendal, 17th March 2000
Religion : Muslim
Status : Single

Education

2015-2018
SMA N 1 Kaliwungu
Science
Majored in Natural Sciences (MIPA), where I developed a strong analytical foundation and problem-solving skills, which have been instrumental in my software development career.
